

# COVID-19 Safety Measures

We would love to host you on our patio. And we want you to be comfortable finally venturing out from your home and into the wild, so we've developed new policies and procedures. This way you'll know what to expect when you arrive. Reopening our patio has been a big decision—the safety of our guests and our staff are of paramount concern.

## WHAT WE EXPECT FROM ALL GUESTS

1. **Masks are required at all** except when seated.
2. Our **bathroom will be sanitized** frequently.
3. Our **menu will be available in digital and single-use formats**.
4. We ask that you **keep your visit to 90 minutes**, unless there is not a reservation waiting for your table. Thanks for understanding.
5. **Takeout cocktails & bottles of liquor cannot be consumed on-premises** (by law). We continue to sell ready-to-drink cocktails in to-go packaging for you to take home.
6. We still love and welcome **dogs**.

## WHAT WE ARE DOING TO KEEP OUR GUESTS AND STAFF SAFE

1. First off, all North Light staff has the choice of whether or not they feel safe returning to work. That will always be our policy. The health and safety of our team is far more important than the business.
2. Staff are required to complete daily wellness checks and log their temperature at the start of each shift. Staff will wear face coverings at all times and follow safe social distancing guidelines.
3. All surfaces will be sanitized in accordance with CDC guidelines on a regimented and consistent schedule.
4. We'll execute a daily deep clean of all equipment, furniture, and surfaces.
5. At this time, patio seating is by reservation only. This allows us to control communications with guests and monitor traffic flow.
